RE: Jeffrey E. Heffelfinger, AIA of Southwest Architects, Inc.

To Whom It May Concern:

Please accept this letter of recommendation for Jeffrey E. Heffelfinger, AIA of Southwest Architects, Inc. Mr. Heffelfinger was our architect for the new 48-bed jail and Law Enforcement Center in Plains, Yoakum County, Texas.

I am exceedingly happy with our new facility, having gone from a small, 13-bed jail to our new state-of-the-art 48-bed jail. This jail is now the envy of several other counties who are contemplating building a new facility for their respective jurisdictions. I would invite and welcome anyone to take a personal tour of our facility.

Again, I applaud our architect, Jeffrey Heffelfinger, for the great job he did on our facility and on his fine work coordinating with our builder to complete this job in record time.

Please call if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Donald L. Corzine".
